LINK BETWEEN

Thiruvannamalai and Sri Adisankara Kamakoti Peetam

There are five sacred places, representing five elements (i.e.) Pancha Boothas viz. WATER, FIRE, AIR, ETHER, EARTH; among which THIRUVANNAMALAI kshetram, a place of spiritual elevation, represents Thejas (Agni), wherein all pervading souls Bhagavan Sri RAMANA MAHARISHI, Sri Seshadri Swamigal, our revered Mahaswamigal - the 68th pontiff of Sri Kanchi Kamakoti Peetam His Holiness Sri Chandrasekharendra Saraswati Swamigal and many spiritually elevated souls exist. The efficacy of Thiruvannamalai is being said as "Smaranath Arunachalam" (i.e.) even very thought of the place will elevate your soul to the extent of not getting rebirth.

This holy place has close spiritual links with another Pancha Bootha Sthala (Five Element premises), viz Kanchipuram representing "Pritvi" (i.e.) Earth, where Goddess Kamakshi is the presiding Deity and one of the Sakthi Stala (Holy power premises - NAABI Peetam (Central Navel Spot). Sri Adisankara Bhagavan, has established a spiritual seat (i.e.) Sri Kanchi Kamakoti Peetam at Kanchipuram. He propagated advaita philosophy (Monotheism) and did many spiritual & Social services for the uplift of Mankind.

In response to the inner call, His Holiness, Sri Shankaracharya Maharaj of Sri Kanchi Kamakoti Peetam has arranged to establish the branch of Kamakoti Shankara Mutt in the Girivalam path, round the hill and the project is in the offing. An Andhra lady Smt. Varalakshmi, has donated a piece of land, in a prime place where a temple has been constructed and Vigraham (Holy image) of Sri Adi Shankara Bhagavan has been installed and Kumbhabhishekam (Holy Consecration) had been done by the golden hands of His Holiness Sri Jayendra Saraswathi Maharaj "presiding pontiff of Sri Kanchi Kamakoti Peetam" and daily poojas (rites) are going on.

Lakhs of devotees are coming to Thiruvannamalai on full moon days to do parikrama Circumambulation around the hill of about 12 kilometers. To facilitate the pilgrims, self contained rooms are being constructed in the proposed Shankara mutt building. Devotees are welcomed to sponsor one or more rooms bearing the cost; suitable appropriate recognition will be done for the donors besides permitting them to stay in the rooms free of charges for one month in a year.

Devotees are requested to avail the opportunity and get the blessings of Sri Acharya and the lord Arunachaleswara. They can send money/draft/cheques directly to Kamakoti Sankara Mutt, No. 1, Salai Street, Kanchipuram, Tamilnadu in India, with a notification of the purpose viz construction of Sankara Mutt at Thiruvannamalai; even it can be sent direct to the SB Account No. 10722, INDIAN BANK, Sankara Mutt Branch, No. 1, Salai Street, Kanchipuram with a notification to Sankara Mutt Office, Kanchipuram.
