**Message from Acharya Swamigal to NRI's devotees**

**Shruti Smriti Puranānām Ālayam Karunālayam  
Namaami Bhagavadpāda Shankaram Loka Shankaram  
Sadāshiva Samārambhām Shankarāchārya Madhyamām  
Asmad Ācharya Paryantam Vande Guruparamparām**

The movement of Sun towards Uttaram - North direction marks yet another beginning of a time cycle which throws open opportunities for performing Dharmic activities. As the Makara Masam succeeds the Margazhi Month, which is extolled as 'Maasaanam Margashirshoham' in Bhagavadgita and known as the month in which the Lord is propitiated, it is a given fact that the upcoming Thai Masam will definitely blossom with auspiciousness. As we see, the Thai month is filled with Kumbhabhishekams, festivals, Muhurtha days where important Samskaras are observed and so on. The Margazhi becomes like a pious preparation for the upcoming auspiciousness. While the Sayana Uttarayanam marks the tilt of the Sun towards North, Sankranthi marks the arrival of Sun to Makara and signifies the northward movement.

It is not wonder, Parameshwara whose Srishti we are in, has so many opportunities. The Sachidananda Bhagavan never allows any dull moment in his creation. 'Change' & 'Evolution' are constant but we must remember that it comes under the framework of divine laws that are eternal and unchanged. We must understand this subtle message of the Lord and accordingly shape our thoughts and deeds.

In creation, human nature has been bestowed with creativity, goodness, happiness, feelings, helping tendency, and progress. The ever-compassionate God forgives our mistakes and gives yet another chance for refinement. We have been taught that maintaining humanness itself takes us many steps godward. In this Punyabhoomi, our Rishis gave us the knowledge of material and the beyond, propelling our progress towards divinity. Vichara, Viveka & Vairagya help us in knowing about Parabrahmam of which we are Amsha. Removing the veil of ignorance, wrong perceptions and doubts clears the mind in concentrating on the true nature.

We need to consciously improve ourselves spiritually by inculcating good qualities. Speaking truth, practicing non-violence, controlling anger, being peaceful and being uncomplaining is expected as general qualities for every human being. These qualities help us in achieving a perspective to understand the various divine qualities and progressing further. We must remember that the Lord himself granted to Arjuna divine vision to see his Vishwarupa. Bhagavatpada in his stotras indicates transforming ourselves by channelising our outer actions and inner thinking towards God.

When the Sun of Gnana shines, darkness or Avidya goes. Lord Hanuman grasped all knowledge from Bhagavan Suryanarayana. In our country, people worship Surya Bhagavan at dawn, dusk and afternoon. Wisdom and good health is derived by worship of the Pratyaksha Bhagavan. The Vedas describe Suryabagavan as the Atman, life giver, as epitome of knowledge, as common god of all peoples. Even today we see the people in Arunachal Pradesh worship Sun & Moon as their gods.

As the Sun move towards Uttara, we must imbibe Uttama Gunas and move on the path of Dharma.

On this auspicious Uttarayana Punya Kalam, with prayers to Bhagavan Suryanarayana we convey blessings to devotees for a peace, good health and wisdom.

### Devotee's experience – contributed by Sri. K. Guruvayurappan

40 Years ago, how HH Sri Maha Perivaa Planned for HIS 30<sup>th</sup> Aradhana at NJ Mani Mandapam (going to be the first Aradhana after Kumbhabhishekam on 5<sup>th</sup> July 2023).

It all started when Almighty moved me from Motherland to Singapore in March 1982, very little I knew at that time what Perivaas had in mind about our glorious retired life today after 40 years by enjoying THEIR abundant grace and blessings with our community here in USA and by getting us involved for Sri Matam related activities and events across the USA!

During Mar 1982, both HH Sri Maha Perivaa and HH Sri Pudu Perivaa were camping outside Kanchipuram (and HH Sri Bala Perivaa had not taken Sanysa Deeksha at that time) and also since I had to move to Singapore at very short notice, could not even get Blessings in person from either of THEM, but craving and praying for Darshan always.

I was very excited on my very first annual vacation in March 1983, after taking up the first overseas job in Singapore in Mar 1982. Little did I know at that time again, what was in store when I booked the trip. But after I landed in Chennai only I came to know that HH Sri Pudu Perivaa was visiting West Mambalam to various house visits as part of Vasantha Navarathri season and our house was also scheduled during that visit. Not only I got Blessed for the move that I already made to Singapore (which I could not get before moving out of Motherland) but merrily went around the streets of West Mambalam alongwith the hand pulled Bicycle cart by chanting Hara Hara Sankara! Jaya Jaya Sankara! And on the same day after HH visit to our house, my would be wife's paternal grandparents accompanied with her parents came to our home to finalize my marriage to be conducted in January 1984, during the second annual vacation visit from Singapore.

“Guru Palan” was so evident that soon after HH Visit, Nitchyadartham followed by Wedding the next year in 1984 and quickly Their Holiness Blessings moved us from Singapore to USA in 1985. Please note the years as Their Holiness planned without us noticing for important anniversaries in our milestone experiences just NOT only merely to Bless us but for our NRI Community at large in USA and across the world!

On the Fifth Anniversary of our moving to USA – in April 1990 on Samvastara New Year Day during Darshan of HH Sri Maha Perivaa, we saw Smt. MS Subbalakshmi and her husband Sri Sadasivam Mama having Darshan of HH Sri Maha Perivaa. After my return to USA from that trip to Homeland, HH made me to stop my coffee drinking habit (about 12 cups a day for the last several years of my adulthood after migrating out of India) just like that and also made me to get rid of side burns, moustache and minor gold chain with TigerNail pendant! The major influence for this was the start of reading Deivathin Kural from 1987, we had only five volumes released I think at that time, which were personally blessed by HH Sri Maha Perivaa. The return on investment was the 1990 Darshan and its aftereffects!

Without us asking, or even thinking or dreaming that we should get Holy Padukas - HH Sri Maha Perivaa surprised us by giving HIS Holy Padukas in Dec 1992 (to coincide with our 10<sup>th</sup> Anniversary of migration out of India) knowing very well that HIS Padukas are going to New Jersey, USA. As of today, to our humble knowledge (based on information obtained from close circle of Sri Matam) that this is the first set of Holy Padukas that were given directly to a devotee knowing very well that it was going abroad and to be kept by the receiver himself who got it directly from HH during HH last years of Sthoola Sareeram. We got the Padukas in Marghazhi Month and came to NJ in Marghazhi month and didn't put Kavacham for that until 20 years later. After putting the Kavacham, we got the Holy Padukas Blessed at Sri Adi Sankarar Sannidhi and at Sri Kamakshi Ambal Sannidhi, at Kanchi and Kalavai Athishtanams, by Both Perivaas and at Orikkaai. The best beauty of this is that during all our trips ever since we moved to USA, we have been traveling only on trans-Atlantic flights thru Europe but the Dec 1992 Trip we traveled Transpacific and the Holy Padukas landed first in the USA at Kabilaranya Kshetram of USA – California! Did HH send a signal that HE would be attaining Mukthi in Marghazhi and HH First Temple outside India would be coming in NJ? Certainly at least, I failed to notice the signal! Special Humble Pranams to HH for that. HH Sri Maha Perivaa was extremely kind enough to comply our humble request to give another set of Holy Padukas in November 1993 to be carried through us – knowing very well to whom it was going again to NJ, USA and the blessed recipient who owned a nonprofit organization in NJ called Sanatana Dharma Foundation (SDF) has now built the NJ Mani Mandapam but only the ownership of the organization changed. Little did we know again the signal sent by HH Sri Maha Perivaa at that time that the recipient organization is going to build the first temple outside India for HH Sri Maha

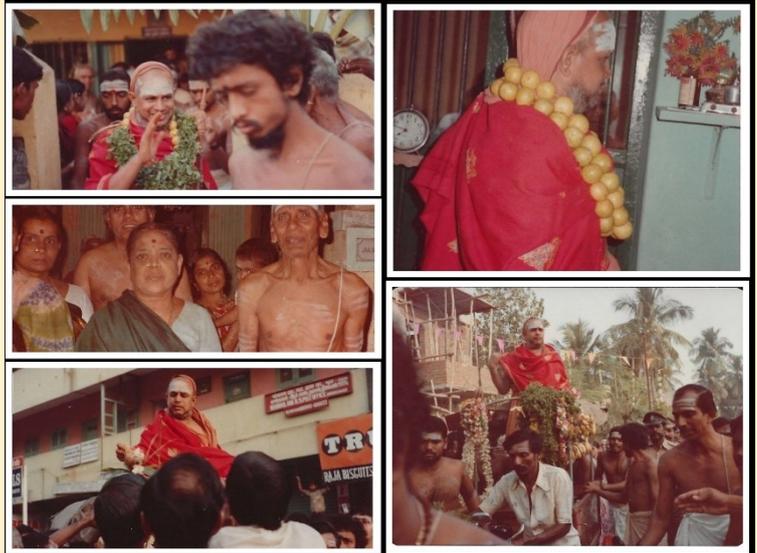

Perivaa!! We were Blessed to bring In 1994 and in 1995 to bring HH Sri Maha Perivaa's Padukas to two different states Blessed by HH Sri Pudu Perivaa and HH Sri Bala Perivaa respectively. Even at that time, we failed to notice the GuruParampara's grace upon NRI Devotees by Their Holiness between 1992 to 1995!

The entire world knows, how HH Sri Maha Perivaa chose Anna Sri Ra. Ganapati who tirelessly and selflessly spread HH Sri Maha Perivaa's lectures in the form of Deivathin Kural. To coincide with the 10<sup>th</sup> Anniversary of our migration to USA and to coincide with my stopping of habitual coffee drinking 5<sup>th</sup> Anniversary, HH Sri Maha Perivaa CONNECTED US through HIS Immediate successor HH Sri Perivaa during Sri HH Perivaa's AND Anna Sri Ra. Ganapati's Sashitapthapoorthy year in 1995, just hardly a few

hours before leaving for airport to USA after our 1995 vacation. Seeing Anna Sri Ra. Ganapati in person and that too unexpected, changed our lives to a great extent. Shared herewith are Anna's first letter dated 9<sup>th</sup> September 1995 mentioning about TWO books to be released about Sri Maha Perivaa and the last letter dated 2<sup>nd</sup> August 2000 mentioning about the release of the last and final volume (volume 7) of Deivathin Kural. Anna Sri Ra. Ganapati attained Moksha on an auspicious Maha Sivarathri night in 2012.

The two books mentioned by Anna Sri Ra. Ganapati "Karunaik Kanchi Kanagadharai" and "Maitreiem Bhajate" were released by HH on an Auspicious Sri Kalavai Perivaa's Aradhana Day in 1996 in Sri Matam. Please see the photos. Deivathin Kural was later released with the great help

by Dr. V. Shankar of Mumbai in many languages and we were blessed to take part in the release function of three languages – in Nagpur in Marathi by H.H. Sri Perivaa in Nov 2006, in Bridgewater NJ – English by Sri Vedantam Mama in Jun 2007 and in NJ Manimandapam at Flemington, NJ Telugu language release during 29<sup>th</sup> Aradhana on 20 December 2022. Sri Matam devotees across the world are very eagerly waiting and would be traveling thousands of miles to come to Flemington, NJ to attend NJ Mani Mandapam Kumbhabishekam. The Holy Padukas that Sri Maha Perivaa gave us would

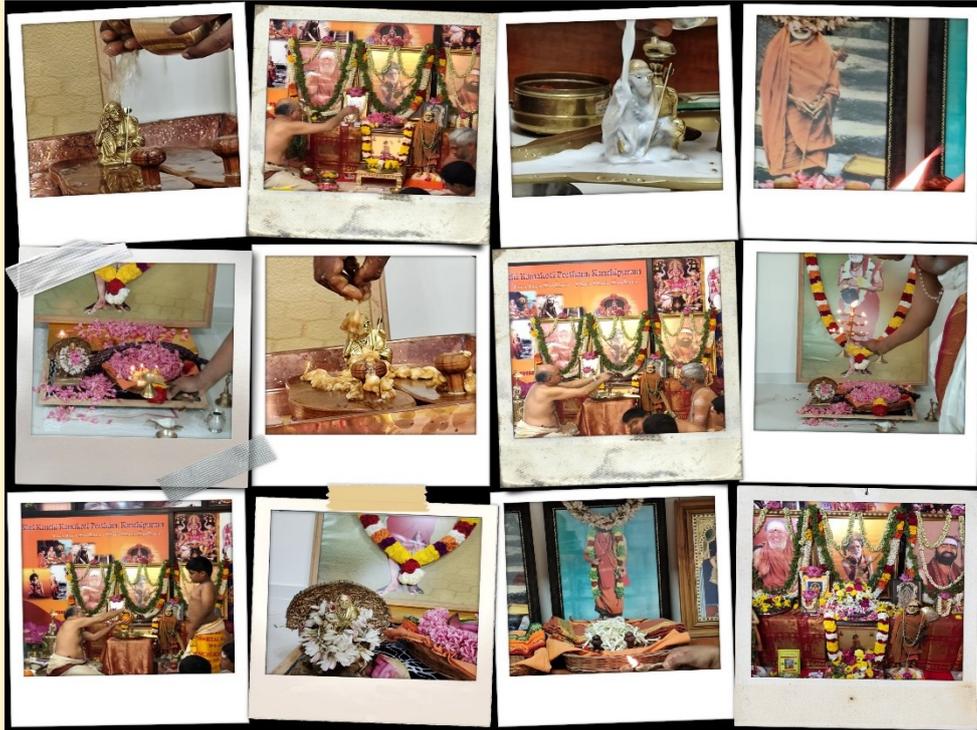

be within a few miles of the NJ Manimandapam and would request all the readers of Kanchi NRI Newsletter and Sri Matam devotees to plan for the important function. Sri Matam Devotees across USA in many towns have had full Rudrabhishekam Paduka Puja done to HH Sri Maha Perivaa and HH Sri Perivaa Holy Padukas and the photos taken on the 29<sup>th</sup> Aradhana celebrations on 8<sup>th</sup> Jan 2023 are attached herewith.
